CONSENT

- Freely Given
- Reversible
- Informed
- Enthusiastic
- Specific

CONSENT is:

- 1. Active** how's that? GREAT!
- 2. Equal Power** based on

Just because a partner didn't say "no" doesn't mean they have given consent. Ask, because only "YES" means "YES."

If someone is underage, drunk, asleep or in another vulnerable position, they cannot consent.

- 3. Choice** ↔
- 4. Process** ⚙️

We must make sure our partners feel free to say "yes" or "no" without pressure. If we aren't willing to take "no" for an answer, consent cannot happen.

Consent requires ongoing conversations with lots of trust. Just because someone says yes to making out doesn't mean they want to do anything else. You can change your mind at any time.

Respect your dating partners.
Be someone who asks, listens, and cares about consent.
